The image displays six screenshots of the FutureWise mobile application, arranged in two rows of three. All screens feature a light pink background with a dark purple header bar at the top containing the 'FUTURE WISE' logo.

- Login Screen:** Shows a text input field with 'nina@hr.nl', a password input field with '...', and two buttons: 'LOG IN' (dark purple) and 'SIGN UP' (light purple).
- Sign Up Screen:** Shows five input fields: 'First name', 'Last name', 'E-mail', 'Password', and 'Confirm password'. It also features a 'SIGN UP' button (dark purple) and a 'BACK TO LOG IN' button (light purple). At the bottom, there's a link 'Create an admin account'.
- Create Admin Account Screen:** Similar to the sign-up screen but with 'Create Admin Account' and 'BACK TO LOG IN' buttons.
- English topics Screen:** A list of language skills: Reading, Listening, Grammar, Vocabulary, Writing, and Speaking, each with a brief description. At the bottom is a navigation bar with icons for Home, Profile, and Settings.
- Welcome to FutureWise! Screen:** A central card with four rounded squares labeled 'Languages', 'Maths', 'Achievements', and 'Profile'. Below this is another 'English topics' section and a navigation bar.
- Admin dashboard Screen:** Displays a message 'You are logged in as an admin.' and a 'Management Options' section with links for User Overview, Manage Users, and View Stats. It also has a navigation bar.
